Book Review

Start with a brief summary. (No spoilers allowed)
(Who What, Where?) Keep it short and simple.

Add important information about the genre and setting.

Add a reflective connection. How do you connect to the character's feelings and situation (either through experience or through empathy-understanding)? (Make a personal connection)

Select a quote that reflects on the theme of the book. Write about how the author explained the theme through the character's situation. Be sure to use text evidence to support your thinking.

Add a reflective opinion about the book. What did you think about the characters, setting, and plot? How did this book affect you emotionally?

Finish your review with a recommendation. Who should or should not read the book? Why or why not?

Give the book a rating:

Now put all of this information together into a book review. Type it in Google Docs and share it with me.
